Company Updates
Strengthening Our Presence

- Redefining the learning strategies for one of the specialized agencies of the United Nations.
- Renewed commitment to leading banking organizations in the Middle East for their content requirements and expanding our regional presence by providing assessment solutions to leading universities in the region.
- Establishing our presence in the European region through renewed commitments to providing content services to a global conglomerate and medical tech company situated in the area.

22 years of Excellence in Education

Marking the camaraderie and unity of all our institutions, we celebrated Excel Foundation Day. With over 22 years in the industry, Excelsoft is committed to its customer-centric approach and continuous learning, which has helped us provide innovative solutions to our 200+ happy customers spread across 25+ countries.
