

Maximizing ebook potential

OpenPage is an end-to-end digital publishing platform packed with a variety of engagement tools to deliver a rich learning experience

# Take control of your digital publishing!

OpenPage offers a rich and interactive learning experience and provides entire ecosystem to publish, manage, and distribute ePub-based ebooks. It integrates with your systems to offer complete control over branding, subscription, and pricing. Additionally, OpenPage helps you to get detailed insights using out-of-box reports, and effectively track and monitor how the content is being consumed.

## Choose Your Pedagogy

OpenPage's flexible ePub-based content framework enables publishers to deliver digital products beyond standard ebooks.

- Enhanced ebooks
- Remedial Learning
- Study Aids

## Enhance Your Ebooks

QuickAuthor, OpenPage WYSIWYG enrichment tool enables you to enhance your ebooks for an improved and meaningful reading experience.

- Inline Multimedia and Interactivities
- Inline Formative Quizzes
- Stand-alone Quizzes

## Engage Learners

OpenPage Reader features rich annotation tools that couple with the teacher-student collaboration tools to deliver a more engaging learning experience.

- Multifarious Annotation Tools
- Teacher-Student Collaboration

## Sell Your Way

OpenPage provides a flexible subscription sub-system that allows you to fulfill ebooks across a variety of models.

- Retail Model
